Any such proposed terms shall be void and the terms herein shall constitute the complete and exclusive statement of the terms and conditions of the contract between the Parties and may hereafter be modified only by written instrument executed by the authorized representatives of both Parties. If this Order carries a Defense Priorities & Allocations System (DPAS) rating, Seller shall provide unqualified written acceptance or rejection to Buyer's Authorized Representative within fifteen (15) working days after receipt of a DO rated order and within ten (10) working days after receipt of a DX rated order. In the event that the Seller fails to contact Buyer in a timely manner to resolve said discrepancies or inconsistencies and Seller proceeds with or continues any work in question, Seller shall be deemed to have proceeded on its own accord and shall be solely responsible for any errors or omissions, including all associated cost or schedule impacts or both resulting therefrom.

B. Buyer may make direct settlements or adjustments in price, or both, with Seller under the terms of this Order notwithstanding any assignment of claims for money due or to become due under this Order and without notice to the assignee.

5. **SUBCONTRACTING**

A. Seller shall not subcontract the entirety or any part of this Order without the prior written authorization of Buyer, and Seller shall require an agreement with conforming performance requirements from immediate and lower-tier suppliers. This restriction on subcontracting shall not apply to authorized distributors, dealers, jobbers or industrial suppliers nor shall it apply to purchases of standard commercial articles, including electronic components or raw materials including castings, forgings, and rough welded structures on which Seller will perform further work.

B. No subcontract placed under this Order shall provide for payment on a cost-plus-percentage-of-cost basis and Seller agrees to select subcontractors/suppliers on a competitive basis to the maximum practical extent consistent with the objectives and requirements of this Order.

B. Payment terms will be stated in the Order. Buyer has the right, without loss of discount privileges, to pay invoices covering Products shipped in advance of schedule on the normal maturity after the date specified for delivery. Payment shall not constitute Acceptance or approval of Products or Services rendered. At any time prior to final payment under this Order, Buyer may have invoices validated. - 7. **{RESERVED}**
- 8. **{RESERVED}**
- 9. **DEFECTIVE WORK**
 - A. Notwithstanding any prior Acceptance, Buyer may reject or require prompt correction of any Products or Services which are, in Buyer’s judgment, defective in material or workmanship or otherwise fail to meet the drawings, designs, statement of work, specifications or other technical documents, or other requirements of this Order.
 - B. If Seller delivers defective or nonconforming Products or Services, Buyer may:
 - 1. Accept all or part of the defective or non-conforming Products or Services at an equitable price reduction or credit against any amounts that may be owed to Seller under this Order or otherwise; or
 - 2. Reject all or any part of a delivery or performance of defective or non-conforming Products or Services and demand delivery of conforming Products or re-performance of Services. All rejected Products shall be shipped back to Seller at Seller’s expense and any re-performance of defective or nonconforming Services shall be at no cost to Buyer; or
 - 3. Make or perform, or have a third party make or perform, all repairs, modifications, or replacements necessary to enable such Product or Service to comply in all respects with Order requirements and charge the expense incurred to Seller; or
 - 4. Terminate this Order for default in whole or in part.

- 10. **{RESERVED}**
- 11. **{RESERVED}**
- 12. **WARRANTY**
 - A. Seller expressly warrants that all Product(s) delivered and Service(s) performed hereunder shall be free from defects, shall be of good materials and workmanship, shall conform to all requirements of this Order, and shall be free of any claim of any third party.
 - B. The foregoing warranties shall survive inspection and Acceptance of, and payment for, the Product(s) delivered and Service(s) performed hereunder and shall remain in effect as to each Product furnished or Service performed and shall run to Buyer, its successors, assigns, and customers. These warranties shall not be deemed to limit any warranties of additional scope given to Buyer by Seller, nor limit Buyer’s rights or Seller’s obligations under any other provision of this Order, at law or in equity. No warranties are waived by Buyer supplying, reviewing, commenting upon, or approving plans, specifications, or Data, issuing changes to this Order, or inspecting or Acceptance of the Product(s) or Service(s) or both.
 - C. If Buyer determines the Product(s) or Service(s) or both do not to meet the warranties and guarantees specified herein, Buyer may, within its sole discretion, return such Product(s) to Seller at Seller’s expense, for correction, replacement or credit, plus transportation charges, or refuse to confirm satisfactory completion of Service(s) and require Seller re-perform such Service(s). If repair, replacement, or re-performance of the Product(s) or Service(s) or both is not timely, Buyer may elect to return, repair, replace, or re-procure the non-conforming Work at Seller’s expense. Any corrected, replaced, or repaired Product(s) or re-performed Service(s) shall be subject to the provisions of this Clause to the same extent as initially furnished hereunder for the remaining Warranty Period. Should Buyer’s customer require Acceptance of the Product(s) or Service(s) or both not conforming to this warranty, payment will be made at an equitable reduction in price.
 - D. Should there be a failure of the Product(s) or Service(s) or both after final Acceptance by Buyer, Seller shall fully cooperate with Buyer and Buyer’s customer in the investigation of the failure or anomaly. Seller consents to provide any and all information related to the failure.
- 13. **CHANGES**
 - A. Buyer’s Authorized Representative may at any time, by written order, and without notice to sureties or assignees, if any, make changes within the general scope of this Order in (1) drawings, designs, statement of work, specifications, planning and /or other technical documents; (2) method of shipment, packaging, or packing; (3) time and place of inspection, delivery or Acceptance; (4) reasonable adjustments in quantities and/or delivery schedules; (5) place of performance of the Service; (6) the amount of Buyer/Government furnished property; and (7) terms and conditions required to meet Buyer’s obligations under its Prime Contracts, including, but not limited to, any mandatory flow-down clauses.
 - B. If any authorized change causes an increase or decrease in the cost or time required to perform this Order, Buyer and Seller shall negotiate an equitable adjustment in the price and/or schedule, to reflect the increase or decrease. Buyer shall modify this Order in writing accordingly.
 - 1. Any claim for adjustment shall be unconditionally waived unless: (i) asserted in writing and delivered to Buyer’s Authorized Representative within fifteen (15) days of the date of the written change order and (ii) a fully supported proposal is delivered to Buyer’s Authorized Representative within thirty (30) days of the date of the written change order.
 - 2. If Seller claims the cost of any Product made obsolete or excess, Buyer shall have the right to prescribe the manner of disposition of the Product to include the right to acquire that Product for cost claimed.
 - 3. Buyer, its Authorized Representatives, and its customer have the right to examine any of Seller’s pertinent books and records for the purpose of verifying Seller’s claim. However, at Seller’s request, in lieu of Buyer, a mutually agreeable third party can examine books and records to verify Seller’s claim.
 - 4. Failure to agree to any adjustment shall be a dispute within the meaning of the “Disputes” clause hereof. However, Seller shall not be excused from proceeding with this Order as changed.
 - C. Buyer’s engineering, technical personnel and other representatives may from time to time render assistance or give technical advice or discuss issues or engage in an exchange of information with Seller’s personnel concerning the Products or Services hereunder. No such action shall be deemed to be a change, nor shall it be the basis for an equitable adjustment, and no such action shall relieve Seller of its obligations under this Order.
- 14. **GOVERNING LAW**

Both Parties agree that, irrespective of the place of performance of this Order, this Order will be governed, construed, and interpreted according

to the law of the Commonwealth of Virginia, without regard to its conflict of laws principles. The 1980 United Nations Convention on Contracts for the International Sale of Goods and its related instruments will not apply to this Order.

15. **DISPUTES**

- A. Any dispute arising under or in connection with this Order with respect to the rights, duties, or obligations of the Parties shall be submitted in writing for resolution to ascending levels of management of the respective Parties.
- B. If a dispute cannot be resolved to both Parties' mutual satisfaction, after good faith negotiations, within ninety (90) days from the date the written claim is received by the other Party, or such additional time as the Parties agree upon in writing, either Party may bring suit only in the state or federal court located in the Commonwealth of Virginia. Seller consents to personal jurisdiction for this purpose in the Commonwealth of Virginia.
- C. Pending any prosecution, appeal, or final decision referred to in this clause, or the settlement of any dispute arising under this Order, both Parties shall proceed diligently, with their respective obligations under this Order.
- D. To the maximum extent permitted by law, the Parties waive any right to a jury trial.
- E. In no event shall Buyer be liable for anticipated profits, incidental or consequential damages. Buyer's liability on any claim, of any kind and for any loss or damage arising out of, connected with or resulting from this Order, or from the performance or breach thereof shall, in no case, exceed the price allocable to the Products and/or Services, or unit thereof, which gives rise to the claim. Seller shall not alter or use such property for any purpose or for any other Party other than that specified by Buyer or U.S.G., without the prior written consent of Buyer or U.S.G. If Buyer or U.S.G. agrees to pay Seller for acquisition of tooling and equipment, either separately or as a statement part of the unit price of Products purchased herein, title to the same shall pass to Buyer or U.S.G., as applicable, upon (i) commencement of processing for use in performance of this Order, or (ii) Buyer payment therefore, whichever occurs first.

- B. Definitions
1. "Information" shall mean information disclosed by the Parties to support their performance under this Order.
 2. "Proprietary Information" shall mean Information which (i) is provided or otherwise made available by the disclosing party (hereinafter the "Disclosing Party") to the receiving party (hereinafter the "Receiving Party"); and, (ii) is marked proprietary or bears a marking of like import and includes any information marked with a restrictive legend as prescribed in DFARS 252.227-7013 or 252.227-7014 or in FAR 52.227-14. Information accessed or made available in electronic form shall be considered Proprietary Information if: (A) any display of the Information also displays a proprietary legend or (B) if such Information is accessed or made available to the Receiving Party via a secure website or portal controlled or managed by the Disclosing Party. Orally or visually disclosed Information shall be deemed Proprietary Information only if identified as proprietary at the time of disclosure and summarized and confirmed in a written and labeled description delivered to the Receiving Party within thirty (30) days.
- C. The Receiving Party shall hold all Proprietary Information in confidence and restrict disclosure thereof to only its employees, contract labor and agents who have a need to know so that the Receiving Party may perform its obligations under this Order and are under obligations to hold such information in confidence under terms and conditions at least as restrictive as the terms and conditions of this Order.
- D. Seller agrees to use Buyer's Proprietary Information only for purposes necessary for performing this Order, without first obtaining Buyer's written authorization. Seller further hereby grants to Buyer a non-exclusive, irrevocable, worldwide, right and license to copy, modify, use and disclose to the U.S. Government or any higher tier contractor, any information received from Seller, including Seller's Proprietary Information, for the performance of this Order and any higher tier contract from which this Order is issued. Seller agrees that Buyer may share Seller's information with other subcontractors under Buyer's higher tier or Prime Contract, if the other subcontractors need to use Seller's information to complete their subcontracts provided that (1) any restrictive markings remain on the information, (2) the other subcontractor is under an obligation to protect Seller's Proprietary Information to the same degree as provided herein; and, (3) the other subcontractor's use of the information is limited to performance of a subcontract under Buyer's higher tier or Prime Contract. If Buyer's higher tier or Prime Contract, under which this Order is issued, is part of a Government program that is implemented through separate contracts between the Government and two or more contractors, one of which is Buyer ("Government Program"), and, if the Government requires Buyer and the other contractors to coordinate or integrate work for this Government Program; then, Seller agrees that Buyer may share Seller's information with the other contractors that need to use Seller's information to complete their contractual obligations for the Government Program, provided that (1) any restrictive markings remain on Seller's information; (2) the contractors are under an obligation to protect Seller's Proprietary Information to the same degree as provided herein; and, (3) the contractor's use of Seller's information is limited to performance of contractor's contract for the Government Program. This clause 22 shall survive termination or expiration of this Order.
- E. The Receiving Party agrees to use at least the same degree of care in safeguarding the Disclosing Party's Proprietary Information, including during storage and transmittal, as it uses for its own Proprietary Information, but in no case less than reasonable care. Promptly upon discovery of an unauthorized disclosure, access or use, the Receiving Party shall: (a) notify the Disclosing Party; (b) make reasonable attempts to retrieve the Proprietary Information; (c) comply with any reasonable written requests of Disclosing Party regarding such unauthorized disclosure, access or use; and (d) review and, take other reasonable action as appropriate to prevent any future unauthorized disclosures, accesses or uses. Proprietary Information shall not be copied or reproduced, except for such copies as may reasonably be required for the Receiving Party to perform its obligations under this Order. If the Proprietary Information is copied or reproduced in whole or in part, the copy or reproduction shall carry the same marking as that which appears on the original.
- F. Exceptions. The Receiving Party shall not be liable hereunder for use or disclosure of Proprietary Information which occur after such Proprietary Information:
1. is or becomes publicly known through no wrongful act of the Receiving Party; or
 2. is known to or in the possession of the Receiving Party without restriction on disclosure or use through no wrongful act of the Receiving Party, as evidenced by competent proof; or
 3. is rightfully received by the Receiving Party from a third party without restriction and without breach of this Agreement; or
 4. is independently developed by the Receiving Party without the use of or reference to the Proprietary Information.
- In addition, the Receiving Party shall not be liable hereunder for use or disclosure of Proprietary Information if such Proprietary Information is disclosed to satisfy a legal order by a court of competent jurisdiction or United States Government (U.S.G.) action; provided, however, that the Receiving Party shall first advise the Disclosing Party within sufficient time prior to the disclosure so that the Disclosing Party has the opportunity to seek appropriate relief from the court or governmental order, and provided further that the Receiving Party shall disclose only those portions of the Proprietary Information legally required to be disclosed and request confidential treatment of the Proprietary Information by the court or governmental entity.
- G. All documents and other tangible media (excluding Products) transferred in connection with this Order, together with any copies thereof, are and remain the property of Buyer.
- H. Neither the existence of this Order nor the disclosure hereunder of Proprietary Information or any other information shall be construed as granting expressly, by implication, by estoppel or otherwise, a license under any invention or patent now or hereafter owned or controlled by Buyer or Buyer's customer, except as specifically set forth herein.
- I. The Receiving Party agrees that the Proprietary Information of the Disclosing Party is valuable and unique, and that the loss resulting from unauthorized disclosure thereof may cause irreparable injury to the Disclosing Party, which may not be adequately compensated in money damages. The Receiving Party, therefore, expressly agrees that the Disclosing Party shall be entitled to seek injunctive and/or other equitable relief, in addition to any other remedies available to the Disclosing Party for breach of this clause.
- J. A Party's obligations with respect to information or Data disclosed hereunder prior to the performance in full, termination or cancellation of this Order shall not, except as expressly set forth herein, be affected by such performance in full, termination, or cancellation.
- K.
