The Banking Cartel broke the link to patents on Extremely Low Frequency scalar military technology, so I uploaded the document on Internet Archive

This peculiar looking complex of buildings and dome-shaped structures provide communications and intelligence support to both the UK and U.S. The base is so vast, it has been described as the biggest electronic monitoring station in the world. Allegedly, each satellite (those big round white things) is actually part of the Echelon system – a top secret network that is used to intercept private and commercial communications.

I am giving you the document that the Black Nobility was hiding from you on Extremely Low Frequency scalar military technology now. But first, I am showing you the reason why Internet Archive is no longer showing any of the documents which I uploaded on their website. It is because Internet Archive is working for the Black Nobility, those corrupt elite who are directing the central banks responsible for your fake paper currency. We are exchanging that fake paper currency for the world's monetary gold reserves and for local currencies in a Global Currency Reset. This whole corrupt mess is getting unwound, and the world's military powers are all in a grand coalition to keep peace while we clean up corruption

Karen Hudes @KarenHudes · Sep 24

The Black Nobility broke these links in my tweet, so I uploaded them on internet archive. It took me an hour and two computers:

Description:

The Coalition for the Rule of Law, consisting of the military powers of the world, and backed by the world's assets deposited with the Board of Governors of the World Bank and International Monetary Fund, for the benefit of the world's peoples, is cleaning up the corruption from the Banking Cartel, directed by the Black Nobility. This is an update from the Overseer Mandate Trustee.

I have alot on my plate, but I wanted to let you know that the reason internetarchive.org has stopped publishing my information is because Internet Archive is on the side of the Black Nobility. The Black Nobility is the group that is directing the Banking Cartel.

The links on the Black Nobility that I uploaded on Internet Archive first:

These are triple broken links. This highlights what the Banking Cartel is trying to hide from you:

There is absolutely nothing that the Banking Cartel can do to change reality that is now manifest, where a critical mass of people are now living. My first job as the lawyer for the world's wealth that was put in trust with the World Bank and IMF at the end of WWII, that is, the Overseer Mandate Trustee of the Global Debt Facility, is to tell a critical mass of people about reality so that truth would be manifest. The Templars and the bloodline Pharaonic families were also the ones during the 30 years war between 1618 until 1648 who hired about 100,000 Swiss mercenaries to commit genocide against the Germans, killing 20 million Germans and their children corresponding to two thirds of the German population. Whole cities disappeared from the earth. And in Alsace-Lorraine, Gallo-Roman Alsace Swiss mercenaries killed 95% of the population.

During the Global Currency Reset we are all going to find out what really happened, and we are going to end the corruption in the world's paper money system by exchanging the Banking Cartel's paper currencies for currencies out of gold and local currencies issued by villages and towns. We are going to wind down the insolvent (bankrupt) Banking Cartel by offsetting bogus country debt for the debt that the Banking Cartel owes under Treaty of Versailles bonds that are now worth 2 quadrillion dollars.

YouTube and the Banking Cartel broke the links on the information that I tried to give you. I am simply pointing out that we, working together, can surely find out the answer to your question. The people who have wronged us should feel thoroughly ashamed. They know better than we do what they have done. They need to understand that all of this information is **ULTIMATELY** going to become available in the Global Currency Reset. They need to start as soon as possible to make amends, and we are all going to take into account, starting from now, what they are doing.

Let me answer your question with another question. *How do I come up with these answers?* I am very intuitive, and I cannot answer this question better than that. Yes I can. I will tell you a story. Some years ago a young girl drowned in a freak kayaking accident. Her mother sent an email to a group of people telling us that her daughter was missing in her kayak and that we

should pray for her daughter. I felt that her daughter was sending me a message to give her mother, saying that she was frightened and very sad. After several months, I felt that I was hearing from this girl again, and that she was no longer confused and was at peace. I visited the girl's mother, but I did not attempt to give either of these messages, because I felt that her mother would not have accepted them.

Last week, I made the point that the Banking Cartel has not succeeded in silencing me. I am embedded in all of humanity. The wealth of the world administered by the World Bank and IMF is with humanity and not with the lying Banking Cartel.

The Banking Cartel attacks me, and it tries to suppress my information. I say to the Banking Cartel, and I say to you, this only proves that we are stronger than the Banking Cartel. We deal in truth and the Banking Cartel deals in lies.

How am I able to keep faith with José Rizal and Ferdinand Marcos, and all the others who have gone before and fought to restore humanity's wealth to us? I say that this is because of who we are. Reality manifests in what we know. We know love. We know infinite love.

I speak for the Board of Governors of the World Bank and IMF because I have known these people for many years, and can remind them when they are losing themselves. Kiyoshi Kodera said this when he represented Japan on the Board of Executive Directors of the World Bank: "We lose ourselves when we compromise the very ideals that we fight to defend"

After leaving the World Bank in 2010, Kodera became Japan's Deputy Vice Minister for International Finance, and is now at an international think tank called Overseas Development Institute

So where are the questions?

Karen Hudes

What happened at Auschwitz and why is it necessary to remember what happened at Auschwitz? Auschwitz was actually a uranium enrichment facility. Watch what happens to this truth. It is a touchstone for reality.

I am putting the information about Auschwitz on this link at the end of the teleprompter.

What is the collective unconscious? This has to do with the fact that if a critical mass of people understand that something is true, it becomes manifest in reality. This is a scientific fact that has to do with the way humanity is all interconnected in the way we think. Our brains function as modems in processing our thoughts.

Scientists observed this collective unconscious in Japan in what they call the 100th monkey effect. This is because information in the collective unconscious becomes accessible to everyone and is transmitted to everyone

The Banking Cartel removed an Italian documentary about the way our collective unconscious learns about the corruption in the financial sector , "The Hundredth Monkey, or La Centesima Scimmia"

This documentary is of great significance at this time. As you may know, the likelihood that we begin to solve the problems laid out in the film through the exchange of currencies is over 90%, according to an accurate model from the US Department of Defense.

What are military extremely low frequency mind control scalar technologies?

Because people use their brains as modems to think, it is possible to develop technologies to interfere with the actual thought processes as these are transmitted from people's brains to the centers where thoughts are processed in the collective unconscious. Some people are resistant to this kind of interference, about 20% of them. Others can learn how to resist, once they know that they can be attacked in this way. I am giving you some emails from last year about military mind control technologies.

Hello Karen Hudes,
First and foremost I would like to thank you on behalf of the people of the world for your hard work and integrity in bringing the world's banking cartels into the light of the general public. I feel that that at least some people (particularly those who have learned to reflect inward in regard to the pursuit of truth), have had an innate feeling of wrong when sifting through the history of our various nations. I am one who has felt this way even at young age, but could never really put a finger on the cause. Moreover on my few occasions in U.S. court it was clearly evident that judges don't view any civilian as, at the very least, competent without a representative of the so called BAR (and for obvious reason after some study into the depth of corruption of the U.S. court system).

Unfortunately, I've only recently discovered your series (just within this week) and have most likely barely scratched the surface of the wealth of information out there for study. That being said, are there any particular alternative new media outlets that you can recommend me? The "Shadow" governments of the world and their news outlets have too catchy of headlines and seem to have infiltrated all of my previously considered

"truthful" media outlets. Currently, there is one other subject which I would like to inquire about. The most recent airing of your series on the banking cartel (4-4-17) made a brief mention on "ultra low frequency" military technology that can alter or change thought patterns. I believe you may have made mention about it on previous segments or other documentation as well, because I distinctly recall a 1:10 ratio mentioned of people that are not affected but unfortunately don't recall the specific article or segment from which I have learned this ratio. With all that said, herein lies my inquiry; would you be so kind as to share with me your resources of information for said technology?

Thank you for your time and hard work,
Sincerely, Joe

Japanese Journalist: former message on Brain Tuner by Bob Beck? He says 95 percent of the people can recover the brain function within a month. Have you known on this device?

Japanese Journalist:

Japanese Journalist: ?Bob Beck, the physicist who made EEG made Brain Tuner to help people who have problems. <https://www.youtube.com/watch?v=nFWL5NoTAIY>

Japanese Journalist: Bob Beck says 95 percent of people can reverse stress related symptoms, like insomnia, addiction, depression, etc etc within 3 weeks I will copy and paste what he said on Bio Tuner(Brain Tuner)"Of the work that had been done absolutely establishing that any stress related syndrome—and this is why the

psychologists hate this device. The stress-related symptoms that are recognized are: insomnia, addiction, anxiety and depression. About 95% of the people who use these devices for a period of less than a month, find complete reversal of these symptoms." And he continues this kind of devices can deprive profits of psychologists and pharmacologists big profit,,,,. He is also against medical politics, so he started to give away the technique so people can make their own devices or can buy something according to his theory inexpensively. He says he is not getting money from Sota or the sort of the company that sell Bio Tuner, or Brain Tuner type devices.

Now here are some emails to and from Andy and his group on their questions about the Global Currency Reset:

dear ms. hudes, because the group doesn't really meet (e.g. once a week, etc.) I didn't want to speak for everyone but upon discussion with a couple of them I don't think there's any problem so please use the letter I wrote with the 16 questions in any way you find helpful. I think everyone will appreciate that and get a kick out of it. sorry for some of the redundancy in a couple of the questions asked. best wishes always and thanks----

Dear Andy,

Thanks for your reply. I still do not know whether or not to include my response to your group's questions in the upcoming DCTV segments. Could you respond to this question? I will wait for permission from you/your group.

I see that I have not responded to your question about the status of the heroes in the US military who were fired for refusing to follow the command of the Banking Cartel to nuke US citizens in Charleston in 2013 and to nuke Russia in 2015. This obviously gets to the heart of the Global Currency Reset.

I want to recognize the efforts of your group -- many things that I once realized then become concealed again with military scalar weaponry, and I must concentrate to access this information again. When many people learn these facts, it becomes very difficult for the humans who are operating this scalar weaponry, and it fails spectacularly. The collective human unconscious is much stronger than the scalar military weaponry. Humanity retains its wealth in the Global Debt Facility.

I have already dealt with the question about what is happening to the heroes in the US military in the teleprompter on August 1, 2017, and in my Tweet on July 7, 2017. I will attach them to the end of this teleprompter.

dear ms. hudes, thank you for your response (I know you have got to be busier than ever). I don't think it's going to be a big deal. simple word of mouth is very underrated these days. dear ms. hudes, the "group" that I am talking with over the last few weeks have informally asked some interesting questions and since they are adding up I thought I might send them to you for your analysis. rather than ask them individually I figured it was probably best to cut to the chase and send them all as I do not know exactly how they would be prioritized. thank you in advance and for your continued efforts also.-----

so here they are (in no particular order):

1. besides the 12 fed banks in receivership, that are insolvent, are the other remaining 48 central banks also formally in receivership and who is handling the bankruptcies in the respective other countries? WE ARE ALL WORKING TOGETHER, AND I CAN GIVE YOU INTERIM ANSWERS THAT MUST BE VETTED AND ULTIMATELY ANSWERED BY EVERYONE. THE WORLD BANK IMF ARE A COOPERATIVE THAT CAN HANDLE THE BANKRUPTCIES. SINCE THE ASSETS ON THE STOCK MARKETS ARE GOING TO GO TO PAY THE VALID CURRENCY CLAIMS, ALL THE COUNTRIES ARE GOING TO HAVE TO FIGURE OUT HOW MUCH EXCESS CURRENCY IS GETTING WRITTEN OFF (ALSO BECAUSE MANY OF THE CLAIMS ARE COMING FROM CORRUPTION) WE ARE ALL GOING TO HAVE A HUGE BOOKKEEPING CHORE TO RESOLVE.

2. It seems that Japan is poised to adopt the Global Currency Reset and issue their own Treasury emitted notes? is this correct and if so, can you speak about the estimated timetable? WE ARE ALL WORKING TOGETHER AND I DOUBT THAT JAPAN IS GETTING OUT AHEAD OF ANY OTHER COUNTRY.

3. If the use of local currencies is another way to stop the money flow (interest) to the Network of Global Corporate Control (NGCC/the One Bank/ Banking Cartel) and if possible could you elaborate on how the local currencies would create "full employment"? READ SILVIO GESELL. THE FULL EMPLOYMENT COMES FROM THE LOCAL MERCHANTS. THERE IS NO INTEREST BECAUSE OF ISLAMIC BANKING PRACTICES, WHICH DO NOT HAVE INTEREST

4. some have asked if there are any supporting documents that mention the blockchain patents as being owned by bloomberg? NOT BLOOMBERG. I HAVE NOT SEEN THIS ANYWHERE. THE PATENTS ARE HELD BY EDMUND JM DUNNE:

Karen Hudes

This is an email to me from Edmund Dunne:

5. could you give a description and function of M1 so that we might better understand the true role jose rizal played when he was superior general of the Jesuit order? and Marcos, of course. I HAVE SHOWN A DIAGRAM OF M1:

6. if one of the counties in our state does not have a chief county executive does the District Attorney on the board fill that role? EACH COUNTY'S GOVERNANCE WILL BE UP TO THAT COUNTY.

7. will ILAC (International Legal Assistance Consortium) bring pressure to bear on the American Bar Association to clean up the corruption "in their own house"?
 NO. THE LEGAL PROFESSION IS CAPTIVE AND CORRUPT. THE ENTIRE PROFESSION. THIS IS ALSO TRUE OF JOURNALISTS, ACCOUNTANTS. THE CORRUPTION IN THE PROFESSIONS IS MIND-BOGGLING.

8. how are the investigations going regarding the theft of some of the gold in the philippines with regard to the U.S.Marines, LLOYD's Insurance, and Lincoln (Mutual)?
 THERE ARE NO INVESTIGATIONS. WE ARE GOING TO HAVE TO GET THESE UNDERWAY, AND LAYMEN ARE GOING TO HAVE TO GET THEMSELVES UP TO SPEED BECAUSE OF THE CORRUPTION IN THE PROFESSIONS.

9. what's the current situation with the Mint Council, Bureau of Printing and Engraving, Texas Lightfoot Militia, safe passage, etc. THESE ARE ALL WAITING FOR THE BANKING CARTEL TO CONCEDE

10. in reference to the dctvteleprompt 11.28.17 : how will the shares of the publicly traded companies be allocated once the bankruptcy proceedings are done? SEE NO. 1
11. could you elaborate a bit on how the UCC is a bridge from the Admiralty Law (Law of the Sea) system imposed on us, and the return to the Common Law (Law of the Land) that we will have once we are free of the current system? THE TRANSITION IS GOING TO BE TRICKY, AS THERE ARE LAWSUITS IN COURTS THAT ARE GOING TO HAVE TO BE SETTLED, AND WE REALIZE HOPEFULLY THAT THE JUDGES ARE ALL AGENTS OF THE BANKING CARTEL.
12. what is the current situation with the struggle(s) within the World Bank/IMF, respectively with the elements within the Bretton Woods Group that are resisting the cleanup of the corruption which is stalling not so much (it is assumed) the actual deployment of the gold in the Global Debt Facility but rather preventing other information from becoming known (e.g. with e Secretariat, the Tribunal, certain recalcitrant behavior on the part of individuals, etc.) THERE IS GOING TO BE A SEA CHANGE AS PEOPLE UNDERSTAND THE CENTERS OF POWER ARE ALL CORRUPT.
13. Where are Major General Michael Carey, Vice Admiral Tim Giardina, Commander Heather Cole, General Dana Pittard, et. al., and what is their status? are they going to be re-instated to their respective commands in view of the fact that the public knows that they were fired for (courageously) preventing the nuking of Charleston (Carey/Giardina) in 2013, and the refusal to launch a first strike against Russia in 2015 (Cole/Pittard)? SEE ATTACHMENTS AT END OF THIS TELEPROMPTER.
15. the question was asked- "when (not if) the currency reset is well underway and the limits on exchanging the Federal Reserve Notes are to be set (unless agreed to differently by the citizens) at one million per person, it is felt that some people who have been hoarding cash for whatever reason (mistrust in banks, politics, financial) might be leery of exchanging their FRNs for the Treasury emitted dollars (to be followed by the exchange into aurum-containing notes because they might feel that it is a trick to have them declare their savings or have their savings be stolen or lost in some way? PEOPLE ARE GOING TO HAVE TO DECIDE WHETHER THERE IS A LIMIT TO PROPERTY. WE HAVE BEEN TALKING ONLY ABOUT CURRENCY. THIS IS GOING TO BE A HARD DECISION, AND WE ARE GOING TO HAVE TO ALL DECIDE ON THIS, MAYBE THERE WILL BE DIFFERENT DECISIONS IN DIFFERENT COUNTRIES, AND IF SO, WHAT THIS IS GOING TO MEAN FOR IMMIGRATION. THESE DECISIONS DO NOT HAVE TO BE TAKEN RIGHT AWAY. I AM SURE THAT YOU ARE GETTING AN INKLING HOW COMPLEX THESE ISSUES ARE. THE BUCK STOPS HERE, HOWEVER.
16. Has the Monetary Agreement for the U.S, been signed off on and if so, who did the signing? and if not then who is/are the responsible parties that can? I AM OBVIOUSLY WORKING THIS ISSUE VERY ACTIVELY. I WANT TO FOLLOW UP WITH ALL THE COUNTRIES AS WELL. THERE WAS A QUESTION ABOUT WHAT IS GOING ON WITH ZIMBABWE, AND I SAID THAT THE SPOKESMAN FOR THE ARMY, MAJOR GENERAL SB MOYO, CHIEF OF STAFF LOGISTICS WITH THE ZIMBABWE ARMY COULD NAME A NEGOTIATING TEAM FOR HIS COUNTRY.

well, ms. hudes, that's it for now. i'm sure they,(as well as everyone else that knows all about these shenanigans) will be asking each other and you a lot of very interesting questions as the Truth comes out more and more. the momentum is building. I believe anyone can see that if they look well enough. and they are. can't believe that no group out there has organized a flash mob ala TTIP in support of your efforts. a friend who is in the arts suggested that t-shirts saying simply "Hudes?" might illicit curiosity, and aid momentum? humanity is creative and dynamic if it is allowed to be, and working together it will, and actually it already is, once we learn to "see" this will be obvious to all. sez me.

my apologies that this ran so long but if I had waited longer, at the rate that people are starting to look closer at things, this letter might have turned into a short novel. my best wishes to you and all others that are doing their part for the betterment of all.-----
-----a.

THANK YOU TO YOUR GROUP. I WILL LEAVE IT UP TO YOUR GROUP WHETHER THEY WANT TO HAVE THEIR QUESTIONS AND MY PRELIMINARY ANSWERS PUBLISHED ON THE INTERNET. WE HAVE TO START SOMEWHERE. IN THE MEANTIME, I AM GOING TO BE TALKING ABOUT HOW WE HEAL OURSELVES FROM THE CENTURIES OF TRAUMA.

OUTTRO Thank you for listening to another segment of "The Network of Global Corporate Control." We are starting to get the hang of working together to take back our world. Many things are starting to fall into place as we realize the depth of the corruption in our money system. Until next week, I am your host, Karen Hudes.

Shana McNally and The Costco Connection are perpetuating a lie. World War II was fought to end this lie, and World War III is not going to be fought at all as we tell the world the truth. Auschwitz was actually a uranium enrichment plant. The Banking Cartel deleted my YouTube video of the DCTV segment on Auschwitz. I restored it, and here it is:

The atomic bombing of Japan in August 1945 would not have been possible without the enriched uranium produced at Auschwitz, nor the German plutonium bomb ignition devices, both captured from a U-234 submarine. Arend Lammertink sent me this article in an email on Julv 25. 2016.

<http://www.tuks.nl/wiki/index.php/Main/AuschwitzAndTheAtomicAge>

You will also find information regarding the alleged "gas chambers" there, which must have been some giant propaganda coverup operation of the atomic secrets of the Germans, in a cooperation between "Wall Street" (the financiers), the US and the Russians, the latter having liberated the camp and captured the ultra-centrifuges at the plant, which they most likely employed in their own atomic bomb program.

The reality that we are currently living in is not the fake reality the dupes of the Banking Cartel think is real. Many people are living in reality in the world where Trump is an agent of the Banking Cartel and a bit actor who is bankrupt. I was writing about actual reality yesterday when I posted the teleprompter for today's live segment of the DCTV series on the Network of Global Corporate Control:

truth would be manifest under the 100th monkey effect. We have been here since January, but I was waiting to announce this so that more of us could "wake up" and would realize where we are. We are now, ever so gently, going to tell the rest of us that we are in the Global Currency Reset.

There is absolutely nothing that the Banking Cartel can do to change reality, that is now manifest, where a critical mass of people are now living. My first job as Overseer Mandate Trustee of the Global Debt Facility was to tell a critical mass of people about reality so that

The Banking Cartel has fiddled with my links, and so the teleprompter for today's show has to be clicked on twice before it will scroll to show all the pages.

<https://s3.amazonaws.com/khudes/dctvteleprompt10.31.17.pdf>

The Banking Cartel may interfere with the DCTV broadcast in some way, as it did last week, by moving the time slot for the livestream broadcast to an hour earlier, or hacking into the teleprompter, as it did during the broadcast on 10/17/17. <https://youtu.be/vfXxz9o0DMo>

As I said in today's teleprompter: The Banking Cartel's censorship and tricks are backfiring.

So this is my response to the two attacks on Facebook that I was telling you about when I uploaded an unfinished copy of the teleprompter for next week's show:

As for the stories about the holocaust: that is not what happened. The story about the 6 million Jews being killed during WWII was a big banking cartel hoax. The Pharaonic bloodline families were the real Nazis, and they were the ones who murdered everyone. Constantin Petrov was murdered to try and bury this truth with him. <https://youtu.be/iFRVVurdAXU> The Templars and the bloodline Pharonic families were also the ones during the 30 years war between 1618 until 1648 who hired about 100,000 Swiss mercenaries to commit genocide against the Germans, killing 20 million Germans and their children corresponding to two thirds of the German population. Whole cities disappeared from the earth. And in Alsace-Lorraine, Gallo-Roman Alsace Swiss mercenaries killed 95% of the population.

As for my friend Jaba'ad AL Chandra from Thailand, he is NOT TELLING THE TRUTH. The truth will out. How do we know Jaba'ad AL Chandra is lying? Because of all the different times and ways that the Banking Cartel and its agents tried to steal humanity's assets in the Global Debt Facility. You will see that there have been other attempts to deny that the Bilateral Minesfield Breakthrough Successor Agreement is valid. It is my job as Overseer Mandate Trustee to protect the assets for humanity in the Global Debt Facility from the Banking Cartel and its agents. <https://s3.amazonaws.com/khudes/attempted+theft.pdf>

During the Global Currency Reset we are all going to find out what really happened, and we are going to end the corruption in the world's paper money system by exchanging the Banking Cartel's paper currencies for currencies out of gold and local currencies issued by villages and towns. We are going to wind down the insolvent (bankrupt) Banking Cartel by offsetting bogus country debt for the debt that the Banking Cartel owes under Treaty of Versailles bonds that are now worth 2 quadrillion dollars.

Sincerely,
Karen Hudes

Mind Control Devices from In-Q-Tel and DARPA

There are powerful technologies that about 9 out of 10 people are susceptible to. This is why it is taking so long for the corruption in the international financial system to be overcome. “The secrecy involved in the development of the electromagnetic mind-altering technology reflects the tremendous power that is inherent in it. To put it bluntly, whoever controls this technology can control the minds of men”

Here are some of the patents that are now being disclosed over the internet:

Method and Apparatus for Remotely Determining Emotional States – A waveform energy having a predetermined frequency and intensity is generated and wirelessly transmitted towards a subject. Physiological or physical parameters of blood pressure, pulse rate, pupil size, respiration rate and perspiration level are measured for evaluating criminal intent in security sensitive areas. US 5507291 A – April 5, 1994

Sounds of Silence – The Silent Subliminal Presentation System (SSPS) – Silent Subliminal Presentation System using extremely low frequencies or very high audio-frequencies or ultrasonic frequencies, they can influence thoughts. The program is able to turn on a target’s Web cam and record video remotely and without detection.

Harvesting data from social media, and using web cams, this program takes into account non-verbal communication such as gestures, micro-expressions, posture, and latent semantics of text and speech. Create algorithms for prediction and collection of latent signals and their use in predicting social information.

Beware – Analyses people’s social media activity, property records, the records of friends, family or associates, among other data, to assign suspects a so-called “threat-score.” That “threat-score” can then be used by police to pre-judge if a suspect is going to be dangerous, and to adapt their approach accordingly.

Iraqi Silent Sound Program – US Psy-Ops teams set up FM transmitters, utilizing Iraqi frequencies and overpowered the local station. Along with patriotic and religious music, PsyOps

transmitted “vague, confusing and contradictory military orders and information.” A sophisticated electronic system designed to ‘speak’ directly to the mind of the listener; to alter and entrain his brainwaves, to manipulate his brain’s electroencephalographic (EEG) patterns and thus artificially implant negative emotional states – feelings of intense fear, anxiety, despair and hopelessness were created in the Iraqi troops. This effective subliminal system implants emotions in the minds of the targeted subject.

Nervous system manipulation by electromagnetic fields from monitors – US Patent and Trade Office, [Patent #6,506,148](#) on subliminal behavior modification, 1/14/2003, United States Patent 6,506,148, Loos, January 14, 2003. Abstract: It is possible to manipulate the nervous system of a subject by pulsing images displayed on a nearby computer monitor or TV set. For the latter, the image pulsing may be imbedded in the program material, or it may be overlaid by modulating a video stream.

Physiological effects have been observed in a human subject in response to stimulation of the skin with weak electromagnetic fields that are pulsed with certain frequencies near 1/2 Hz or 2.4 Hz, such as to excite a sensory resonance. Many computer monitors and TV tubes, when displaying pulsed images, emit pulsed electromagnetic fields of sufficient amplitudes to cause such excitation. It is therefore possible to manipulate the nervous system of a subject by pulsing images displayed on a nearby computer monitor or TV set.

For the latter, the image pulsing may be imbedded in the program material, or it may be overlaid by modulating a video stream, either as an RF signal or as a video signal. The image displayed on a computer monitor may be pulsed effectively by a simple computer program. For certain monitors, pulsed electromagnetic fields capable of exciting sensory resonances in nearby subjects may be generated even as the displayed images are pulsed with subliminal intensity. Inventors: Loos; Hendricus G. (3019 Cresta Way, Laguna Beach, CA 92651), Appl. No.: 872528 Filed: June 1, 2001

Other Projects – Directed-energy weapons (DEWS), Remote Neural Monitoring (RNM) weapons, Remote EEG Readers, Remote Electro-Muscular Shock/Incapacitation weapons, Remote Microwave weapons, Remote Voice to Skull weapons, Remote Neural Monitoring technologies, and EMF brain-wave monitoring, tracking, and harvesting technologies.

Google Created by CIA and Highlands Forum

One of the most interesting articles that highlights the way the DoD incubates war-technology is described in great detail by Nafeez Ahmed. This article shows that Google was funded throughout its inception by the CIA. Google was created as a weaponized war-tool as indicated by the many new inventions that DARPA and In-Q-Tel are focused on.

Nafeez Ahmed explains the Google-CIA connection in this excellent article:

The fact that this information is now coming out is a sign that a coalition for the Rule of Law on the Board of Governors of World Bank & IMF is taking back our world.

There are a lot of decisions that will need to be taken during the Global Currency Reset. There is every reason to think that the Coalition for the Rule of Law is going to overtake the Network of Global Corporate Control. What is unclear is whether it is going to be possible to dismantle the technologies that are used against us. There may be a period of transition in which we are going to have to coexist, and to learn how to regain control despite these technologies being used in an attempt to slow us down.

The Global Currency Reset is going to proceed with decisions that are taken at grassroots levels. It is going to take time for people to get themselves into small groups and to establish clear communication. The media has been complicit in the corruption, along with the journalists, accountants, lawyers, and other elites. Now that the coalition for the rule of law on the Board of Governors of the World Bank and IMF has broken through the disinformation to a critical mass of people, the clean-up can begin.

The misinformation is not just limited to current events. There has also been a great deal of misinformation about our true history. There is a project at Moscow State University which shows a deliberate attempt, starting in the 1600's, to obscure the ancient past. We have been deliberately misinformed in order to create enmity and distrust among the nations and peoples. The judges and lawyers are not capable of administering justice.

How can people rely upon the coalition for the rule of law in the Board of Governors of the World Bank and IMF when there has been such deep corruption in the other institutions? Pay special attention to the fate of whistleblowers -- persons who have been retaliated against for disclosing wrongdoing. Because some whistleblowers have been intimidated or corrupted, people must remain vigilant.

People are going to have a chance to clean up this systemic corruption, which has infested our entire world, from its financial center, to our local communities. The urge to get even will be very strong. The Global Currency Reset has been handed down from two men who endured many wrongs to give us this chance: Jose Rizal and Ferdinand Marcos. The Global Currency Reset is a gift of love that can only be accomplished through peace.
